<<< High Level Applications >>>

The *Elevated Sprinkler Mount* allows for safe, ladder-free roof protection and eliminates nail damage to buildings.

- > Hose hangs free....no kinks...no elbow fittings
- > Fits a common 2 x 4
- > Easily wired to a pole for a snug fit
- > Standard fitting for multiple makes and models of sprinklers

<<< Versatile Mounting

The *Elevated Sprinkler Mount* nails to fence posts or when partnered with the *Elevated Sprinkler Mount Spike*, is easily pushed or hammered into the ground.
